Certificate (All)

- To empower young entrepreneurs for taking next steps toward launching their ideas, the Entrepreneurship Olympiad offers;

- Startup Cash Grant — covering up to $1000 for the winner, $750 for the second place, $500 for the Third Place in eligible business expenses for selected winning teams. This reward is designed in form of services to offset early startup costs, such as: Business registration and legal fees, Website domain and hosting, Marketing or branding materials, MVP (Minimum Viable Product) development tools, and other reasonable launch-related expenses. Proof of expenses and a short plan of use will be required for reimbursement.

- Startup Workshop- Exclusive mentorship from Synapses Ventures for the period of - 9 Month for the winner (valuing up to $3950), 6-Month for the second place (valuing up to $2975), 3-Month for the Third place (valuing up to $2000). In Partnership with Synapses Ventures, a leading venture studio, includes: • Business development guidance • Product & market fit strategy • Investor pitch preparation • Monthly check-ins with startup advisors

- Full scholarship for the winner (valuing up to $1,050), 50% scholarship for the second place (valuing up to $525) for TechDev Academy's next Young Entrepreneur Bootcamp for each team member.

- Honorable Mention awards will be given only if the judging panel determines a team or individual has earned special recognition. These awards are optional and not guaranteed.
